

# Lizards

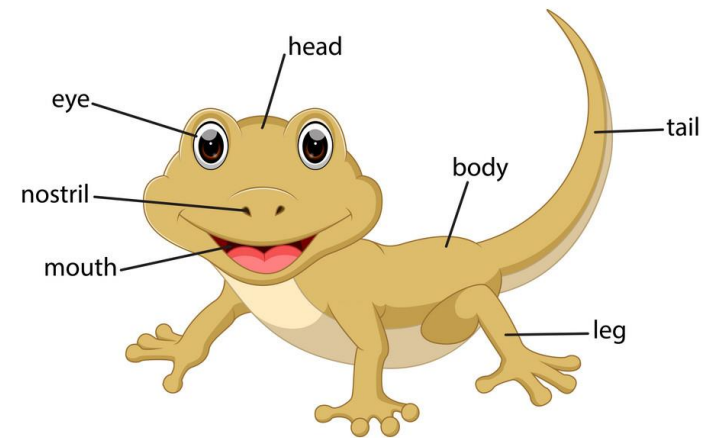

Liam Spoletini

# Anatomy of Lizard

Graphic that assists  
in understanding  
the talk

## Body Part of Lizard

# Places they live

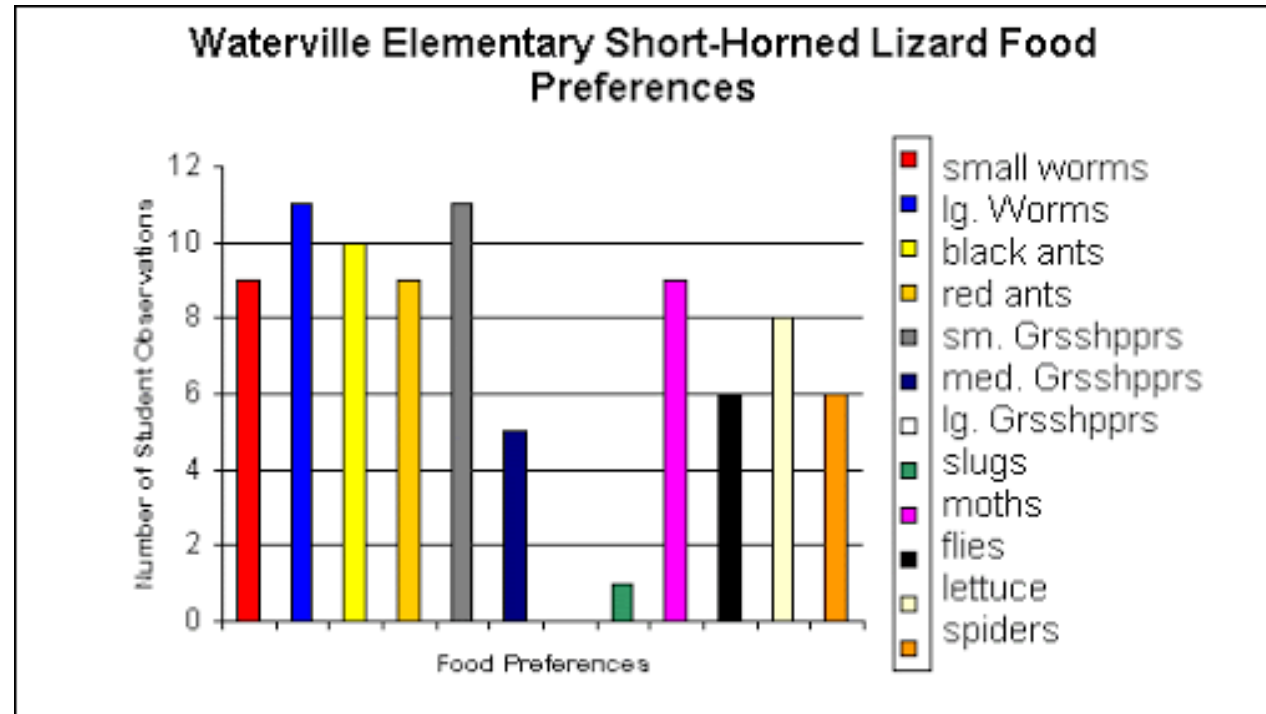

- Here
- There
- Everywhere
- Over there
- Under **rocks**

No more than 6-8 lines of information  
- Check speaker notes for why rocks is emphasized

# What do Lizards Eat?

Another helpful  
Graphic

# Summary

Tell them what you're going to tell them (slide 1 speaker notes), tell them (slides 2-4)<, tell them what you've told them (slide 5)
